Donna Forte, the co-President of the Friends of the Library reported that the Bling sale was very successful—they made $7500—and another one is scheduled for November 5 and 6. Defensive driving classes will resume in May after being cancelled during the pandemic. The Spring program will be held via Zoom, and will feature Brian Rose, with a program entitled, “And Now a Word From our Sponsor.” The book sale is scheduled for October 9-16, and handbag bingo in March, 2023. Bunco has been postponed, and they are in the process of acquiring more bags to sell at the circulation desk.

Shreya Bhardwaj, the student representative, read the teen report for March. The bulletin board proves to be popular. Twenty volunteer hours were logged during Friday Game Days, coding classes and others.

The Foundation Board did not meet this month.

Mayor Cohen reported that the Township administration submitted the 2022 budget to the Town Council. The 0.5% increase will likely result in a tax decrease to residents, when the County and School taxes are included. Mayor Cohen also added that an outdoor celebration for Ramadan was held, which proved popular.
Treasurers Report:

Mr. Arthur reported that the passport revenue is increasing due to an increase in the number of appointments offered. The reserve accounts have not had much activity, but that may change soon with several projects in the works. Mayor Cohen commented on the transits in/transits out statistics on the Monthly Statistics report. These numbers indicate that EBPL is a net borrower, and shows the value of being a member of LMxAC. A suggestion was made to push the marketing of the LMxAC app.

Mayor Cohen made a motion to approve the March 14 and April 20, 2022 bill list. Ms. Tibbetts seconded. Voting yes: Ms. Chmielowicz, Mr. Christie, Mayor Cohen, Dr. Freedman, Ms. Punjabi and Ms. Tibbets. Voting no: None.

Reports of Standing and Special Committees:

A. Building Committee

Mr. Arthur reported that this committee met to discuss the children’s room renovation. They are looking to renovate the bathrooms, and replace the lighting and the flooring. Quotes from state contract vendors have already been received for vinyl flooring and carpet tiles. Library administration is working with the township engineer to get a bid package together. Administration is also trying to work the renovation into the strategic plan.

B. Strategic Planning Committee

Mr. Arthur reported that quotes have been received from several companies to assist with the strategic planning process. The quote received from the Edward J. Bloustein School of Planning and Public Policy at Rutgers University was the lowest, and administration is waiting to receive the contract from them.

Director’s Report:

Mr. Arthur reported that a grant was received from Columbia Bank for $2500. The Concerts in the Courtyard have all been scheduled, with the 1st being a Ukrainian band on May 8. All iPads except for one library have been delivered for the NJ HealthConnect grant. In a few months, Mr. Arthur will have a usage report available. New Business:

A. Annual Financial Disclosure Reminder

Mr. Arthur reminded all of the trustees that they should have received an email link for this, and it must be completed by April 30. Library administration will confirm with the new township clerk, Tamar Lawful, that she has the current list of trustees.
