Jaden He, the Student Representative, read the teen report for October. Several programs were held during the month, including a TAG meeting, SAT prep, costume swap and a book swap. 180 teens attended these programs, and logged 119 volunteer hours.

Robin Rushfield submitted the report for the Friends of the Library. The Jewelry Sale was held on November 5 & 6, and made approximately $3,000. The Defensive Driving classes had 18 attendees, and the Fall Program will be held on November 17, entitled ‘The Life and Music of Bobby Darin.’ The membership mailing will be going out soon.

Camille D’Andrea Romer, of the Edward J. Bloustein School of Planning & Public Policy, reported on the focus groups that they ran for the Library’s strategic plan. They held 5 focus groups, of 10 people each. She gave a recap of all of the questions, and what were the most common responses. The major takeaways were:

- Increase book selection;
- Increase text messaging to advertise programs and services;
• Increase class offerings, such as language classes, IT training, support groups;
• Would like targeted emails for only information they are interested in;
• Increase databases;
• There was much discussion about obtaining a bookmobile or building a branch library-
  most people would like one or the other;
• There was much discussion about going fine free, or leaving fines in place;

The Board discussed these findings and administration will inquire if the Library can get added
to the Township text messaging system. Mr. Arthur hopes to have a draft of the strategic plan
for the December Board meeting.

Mr. Arthur reported that the Foundation purchased new equipment for the Makerspace including
a TV, a Glowforge and a large poster printer. They have recruited 4 new Board members, and
their next meeting will be on December 12. The Foundation is awaiting the strategic plan report
to see what direction their fundraising will take.

Ms. Tibbetts reported that school open houses are this week, and parent-teacher conferences will
take place in a few weeks. She suggested that these might be good times for library outreach in
the future.

**Treasurers Report:**

Mr. Arthur reported that 82% of the budget has been spent or encumbered. Library staff is
increasing spending for books, using funds that are left over in other budget lines. The Library
is on target to hit the revenue projection, thanks to the passport office. TSYS is working to
recoup the passport fees that did not process early in the summer, and $7,000 of $8,000 has been
collected. Mr. Arthur reviewed the monthly statistics report and noted that physical material
usage is up from last year.

Mr. Christie made a motion to approve the November 16, 2022 bill list. Ms. Punjabi seconded.
Voting yes: Mr. Amankwah, Ms. Chmielowicz, Mr. Christie, Ms. Punjabi and Ms. Tibbetts.
Voting no: None.
