**Public Participation:**

Donna Forte, the Co-President of the Friends of the Library, reported that the annual Book Sale was held on October 10-16 at Brunswick Square Mall, and grossed $30,793. She thanked the Youth Council and the Mall ownership with their assistance during the week. A Family Photo event will be held on October 22 & 23, and the Bling Sale will be held on November 5 & 6. Defensive Driving classes will be held on November 14 & 15, and the Fall Program will be on November 17, entitled ‘The Life and Music of Bobby Darin.’ Ms. Chmielowicz, on behalf of the entire Board, thanked the Friends for their hard work during the book sale.

Zainab Jaorawala, the Student Representative, read the teen report for September. Five programs were held during the month, including a TAG meeting and 2 debate clubs. Ninety-eight teens attended these programs, and logged 89 volunteer hours.

Mr. Arthur reported that the Foundation Board met with 4 potential new Board members on October 17. He is also in touch with 2 other people who are also interested in becoming Board members. The Foundation is awaiting the strategic plan report to determine their fundraising efforts for the future.
Mayor Cohen reported that the township redevelopment has started on Route 18. This area will be mixed use-retail and apartments. He feels that either this area, or the area on Tices Lane, would make a good location for a branch library. Mayor Cohen mentioned that he attended the Health Literacy Month event at the Library where John Arthur and Karen Parry received awards for their work on the ARPA Grant. The Library was also named Non-Profit of the Year by the Chamber of Commerce. Mayor Cohen invited all to attend the Mayor’s Gala on November 9, which benefits individuals facing difficult circumstances in East Brunswick.

Ms. Tibbetts reported that school is half-way through the 1st marking period. Parent teacher conferences will be held soon, and all of the elementary schools are participating in Walk to School Day. On October 27, the President’s Own Marine Band will be performing at The Jo Ann Magistro Performing Arts Center in Hammarskjold Upper Elementary School.

**Treasurers Report:**

Mr. Arthur reported that the employee health care costs were paid to the township, which is not reflected in this month’s report. The amount was $635,781, which is less than budgeted, and he is waiting to hear if this is the total for the year. Mr. Arthur feels that overall spending will be close to what was budgeted, but would like to use any surplus money to purchase books to decrease the hold wait time. He asked if the Board would like for staff to overspend the budget lines, as long as the total budget is not exceeded, or move any surplus funds to other lines where it is needed. The Board agreed that over spending the budget lines is acceptable. Mr. Arthur reported on the issue with the credit card processing company, and a discussion was held about finding another processing company to use. There is no word yet on the County Block Grant for the Children’s room renovation. If the grant is not received, the renovation will be paid out of Children’s room Reserves and Building Reserves. Revenue for the year is ahead of what was projected.

Mr. Christie made a motion to approve the October 19, 2022 bill list. Mayor Cohen seconded. Voting yes: Mr. Amankwah, Ms. Chmielowicz, Mr. Christie, Mayor Cohen, Dr. Freedman, Ms. Palumbo, Ms. Punjabi and Ms. Tibbetts. Voting no: None.

**Correspondence:**

There was no correspondence.

**Reports of Standing and Special Committees:**

A. **Building Committee**

This committee did not meet this month. Mr. Arthur reported that the lighting fixtures specified in the Children’s room cannot be acquired in a timely manner, therefore the contractor sourced another fixture, which has been approved by the architect. Mr. Arthur is waiting to hear when the construction will begin, and on what date the pre-construction meeting will be held.

B. **Policy Committee**
This committee did not meet, but Mr. Arthur will be sending them some policies for the new Makerspace equipment to review.

C. Personnel Committee

The committee did not meet, but Mr. Arthur reported that the library is almost fully staffed.

D. Strategic Planning Committee

Mr. Arthur reported that 5 focus groups have been held, and 2 more are scheduled. Approximately 200 people have responded to the survey, and administration will keep the survey open until a sufficient number of responses have been received. It was also suggested posting it in the Mall, and on the library website.
