Public Participation:

Keith Kipp, the Director of Planning & Engineering for East Brunswick Township, gave a presentation on the Children’s Room renovation plans. The library has contracted with an architect and has construction plans and a cost estimate prepared. The Township will provide Project Management services, including a dumpster for the project, and will work with their vendor to install the fire suppression system. There are two ways for this project to proceed: The project could be put out to bid, or a state contract vendor can be picked and it could be added to the Community Development Block Grant, and qualify for an approximately $50,000 grant to pay for the bathroom portion of the project. The Library will pay for the project out of Library Reserves.

A discussion was held about approaching the township to ask them to pay for the project, but it was explained that this would have to be added to the 2023 Capital Improvement Plan, and it may not even be approved. Mr. Arthur explained that since the library has reserves, the township would likely want the library to pay for it with that money. The Board then voted to move Resolution #10,820 up on the agenda, since it was necessary for Dr. Freedman to leave the meeting early. Mr. Christie made a motion to move the vote for this resolution to this point in
the meeting. Ms. Tibbetts seconded. Voting yes: Mr. Amankwah, Ms. Chmielowicz, Mr. Christie, Dr. Freedman, Ms. Palumbo, Ms. Tibbetts and Mr. Verma. Voting no: None.

In July, 576 people attended programs, and 208 teens volunteered. In August, 33 programs were held with 574 attendees and 159 volunteers. Over the summer, young adult materials showed a 22% increase in circulation.

The Makerspace will hold a grand re-opening during Maker Day in March. Mr. Arthur has reached out to several residents about joining the Foundation Board and has received some interest.

**Treasurers Report:**

He may ask the Board to move some funds from one budget line to another next month as the year end gets closer. Mr. Arthur also directed the Board to the Reserve Report which indicated that there are sufficient funds to pay for the Children’s Room renovations.

Mr. Amankwah made a motion to approve the August 17 and September 21, 2022 bill lists. Ms. Palumbo seconded. Voting yes: Mr. Amankwah, Ms. Chmielowicz, Mr. Christie, Dr. Freedman, Ms. Palumbo, Ms. Tibbetts and Mr. Verma. Voting no: None.
