 **Your printouts**

ePrintIT allows your patrons to easily and securely print documents, emails and web content from any Internet-enabled smartphone, tablet, laptop, or desktop computer to your library's existing printers without the setup of any print drivers or printers, from both on and off-site.

MOBILE PRINTING DESIGNED FOR LIBRARIES

Easy to Use

Provide your community with the latest services and technology! ePRINTit allows users the ability to print from home, the office, or while on the go, using Android, iOS or any web browser to print to their library, through an easy to use interface.

Libraries are no longer required to have dedicated computers to print. Users can use their own office/home computer or mobile device to send their print jobs to the ePRINTit secure end-to-end encryption (256 Bit).

- Use a Library Card to Submit and Retrieve Print Jobs
- Guest Printing Made Easy
- Eliminates Waiting for Processing of Print Job
- Optional Email Confirmation of Print Job
- Multiple Print Jobs in a Single Submission
- Mix Print Features in a Single Submission
- Follow-Me Printing
- Real-Time Cost Accounting
- Submit Jobs from Anywhere
- Displays Supported File Types
- Web-Based Staff Portal
- Spanish

Easy to Implement and Support

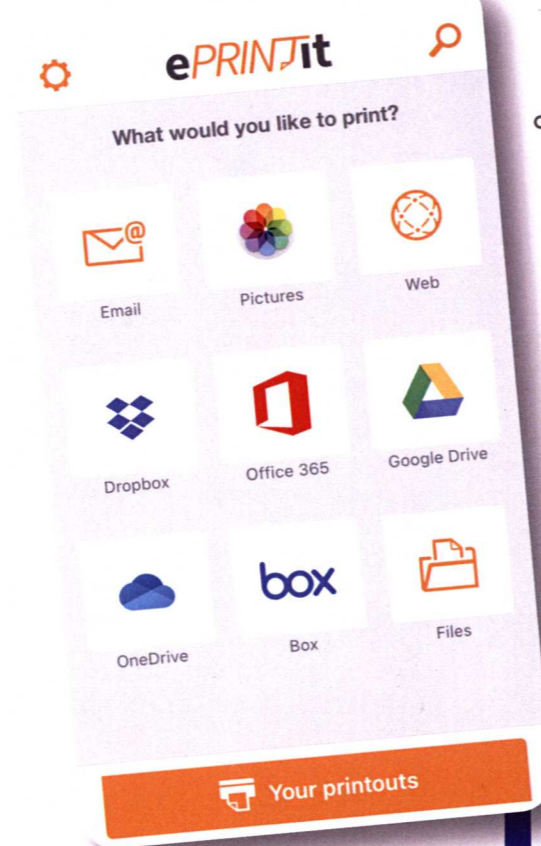

- Eliminate Printer and Driver Setup
- Automatically moves print jobs to any location
- No Server Required
- Consistent User Interface for both Android and iOS
- Chromebook Printing Supported
- Cloud Storage Account integrations
(Google, DropBox, Box, OneDrive, Office 365)
- Secure end-to-end encryption (256 Bit)
- Operating System Independent
(Microsoft, Chromebook, Linux, Mac, etc.)
- Advanced Reporting of Pages Submitted vs Released

ePRINTit™

SECURE CLOUD PRINTING

Submit print jobs centrally and release at any library location.

Mobile

Email

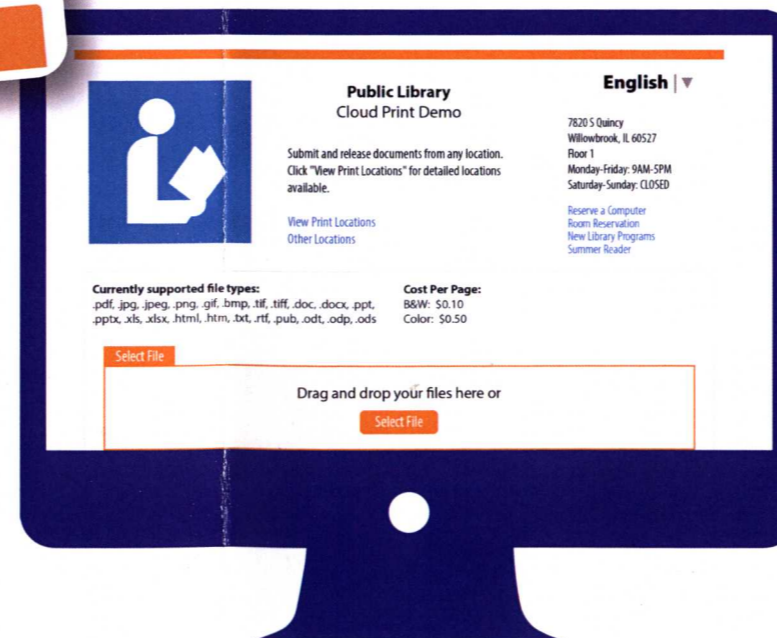

Flexible and Simple

- Print both Color & B&W documents within a transaction
- Change print attributes for each document submitted within a transaction
- Submit centrally, pick up at any building or branch
- Submit multiple jobs within the same print session
- Staff Release
- Integrates with TBS print management
- Flexible Payment options (Cash or credit card)

Print Job Submission

- A branded web-page that can be used with any web browser. Patrons can easily access the library's web-print URL to submit their documents for printing. Patrons are prompted to enter a job name or library card number to be used to privately release the print jobs.
- Email and attachments are easily printed by forwarding the email to the library's custom email address. A reply email is sent to the patron's email with instructions on how to retrieve their print job.
- Print from your Mobile Device - Free Apps are available for iOS and Android devices

Web Interface

Payment Options

Release print jobs at the staff desk, release station or at a TBS Self-Serve Kiosk that accepts coins, bills, major credit cards, via swipe or chip as well as NFC technology which includes HID, Apple Pay and Android Pay, as well as other forms of NFC technology.

Over 100 supported languages and an 'Accessibility Widget'.
